

## Consumer Day Funding Application

Every two years the Australasian Lymphology Association (ALA) holds a national conference in Australia or New Zealand. The ALA is the peak professional organisation in Australasia representing clinicians, educators and researchers in the field of lymphology. The ALA Conference 2012, in Cairns on 24 – 26 May 2012 promises to be an engaging and exciting event, featuring highly regarded keynote speakers and presenters from all over the world. This Conference will leave us richer in knowledge, invigorated through participation and expanded in friendships and contacts.

The Conference Committee are pleased to be able to offer some assistance to Consumers and their carers to attend the Conference on Saturday 26 May 2012 for the Consumer dedicated sessions. This assistance has been made possible by a Commonwealth Grant. To allocate this assistance to consumers a grant application process has been agreed on.

A Conference 2012 Grants Committee has been established to assess each Grant application taking into account the funding available. Grants are made to assist with costs for attendance at the Conference. Grants will be assigned to applicants based on fulfilment of certain conditions on the Conference delegates behalf, which form the selection criteria below:

1. Grants will be made to applicants who can demonstrate that their attendance at the Conference will benefit them and/or others.
2. Priority will be given to applicants who would not normally have the ability to attend such a Conference.
3. Priority will be given to applicants who are members of a lymphoedema association (if available in their state/country).
4. Applicants will need to have a willingness to provide public comment of their experience.

To submit an application for a Grant, please complete the application form and return it by Friday 24 February 2012 either by email, fax or post to:
